Chamber Hosts Car Parade

The Wall-Badlands Area Chamber of Commerce invited community members as well as Wall School students and staff to participate in a Car Cruise Parade on April 17. Roughly 60 vehicles participated in the Cruise. The event was a great opportunity for community members to connect with each other while also practicing social distancing during this time. The Chamber also encouraged parade participants to patronize local businesses before and after the event.

Cruise participants lined up in the Wall City parking lot behind the Wall Community Library before cruising down Main Street and many residential streets within the city. Wall School teachers and staff stood along Main Street to wave at the students as they drove by. Both school staff and students of all ages made signs to show how much they miss attending classes. As the convoy of vehicles headed down residential streets, participants waved and honked at their fellow community members who observed from the comfort of their homes.

Cruise participants could post a picture of themselves or family participating in the cruise for a chance to win a \$50 gift card to one of our local businesses. The lucky winner was Jen Johnson of Quinn!

Thank you to everyone who participated in the event!
