New Businesses Open in Wall

Kim Handcock is the proud owner of the new online clothing boutique, Treat U Boutique. The grand opening of the business was celebrated with a ribbon cutting on August 15 during a pop up shop at the Handcock residence.

Kim looks forward to helping women create unique outfits that make them feel and look great!

The Chamber would like to congratulate Kim on following her passion and welcome Treat U Boutique as a member of the Wall-Badlands Area Chamber of Commerce.

The Chamber would also like to congratulate Legacy Child Development Center on their grand opening and ribbon cutting. Legacy Child Development Center, formerly Jitterbug Daycare, is owned by Tammara Hannan. Tammara is excited to provide the families of Wall with high standard child care and preschool.

2019 Wall Crawl

Great food, great views, cool cars, bikers and bands were the highlights of 2019 Wall Crawl. The event, held Saturday, August 10th, included a poker run, show and shine car and motorcycle show and two live bands.

The Wall Crawl started with a poker run through Wall, Philip, Interior and the Badlands National Park. Hosted by the Old McDonald Brigade Shrine Unit, the poker run was held as a fundraiser for the local Crescent Masonic Lodge #210. Several riders participated in the second annual event. First prize, went to David Ermish, second prize went to Kim Morgan, and third place went to Paul Lynch.

Following the poker run, M&M Sales, LLC hosted a show and shine motorcycle and car show at the Wall Rodeo Grounds. The winner of the "People's Choice" award was Brad Gebes with his 1970 Chevy Nova SS. Gebes won a \$50 cash prize and plaque.

The Wall Meat Processing Plant/Red Rock Restaurant provided the meal, including steak and chicken kabobs.

Light rainfall may have delayed some of the Wall Crawl fun but, despite the rain, Loose Change took the stage after the rain cleared and put on a great show that had the crowd dancing and singing along. Then, John Riggins entertained the crowd until midnight with his brand of outlaw country music. Attendees enjoyed a night of dancing, singing, eating and community celebration.

The Wall Crawl team has already started making plans for next year. For updates, visit the Wall Crawl Facebook page <https://www.facebook.com/WallCrawl/>.

If you have questions, please contact Wall Chamber of Commerce Executive Director Kelsey Clark at (605) 279-2665.

Black Hills FCU Prepares Thousands of Students for a Successful School Year

Continuing their mission of improving lives, Black Hills Federal Credit Union donated more than 120,000 school supplies to more than 60 area schools on Friday during their 23rd Annual School Supply Drive "Load the Bus" celebration.

The Drive provides more than 20,000 students in 17 communities across the Black Hills and South Dakota with the supplies they need for a successful school year. Educators distribute the supplies to students as needed, said Heidi Bulman, community development officer at BHFCU.

"We know that with the price and number of school supplies needed, it can be difficult for families on a tight budget to send their children back to school fully prepared," Bulman said. "The Drive gives teachers the ability to equip their students with the supplies and resources they need to fully engage in classroom activities."

To gather the necessary supplies, the Credit Union relies on donations from its members, the community and area businesses. Funds are also raised through a community-wide caramel roll sale and raffle. Additionally, their annual Bus-to-Business event gives area businesses and organizations the opportunity to contribute to the Drive by helping to fill a school bus with supplies.

"The Drive is truly a testament to our members and community partners, who year-after-year go above and beyond for area students and teachers," said Carol Brown, vice president of marketing and business development at BHFCU. "What started as just a few boxes of supplies has grown into an amazing community-wide project, thanks to our local businesses and supporters."

In preparation for the 2019-2020 school year, BHFCU's employees spent countless hours over the summer collecting, sorting and packaging supplies for area schools. The Drive is also supported by the Black Hills FCU Charitable Fund, a 501(c)(3) nonprofit organization.
